### **BULLETIN BLOG**

If we follow the teachings of Jesus and listen to the words spoken to each of us at Sunday worship, we will know Jesus wants us to love one another and to help each other in whatever ways we can. We must not be afraid, we must just do. I have tried to make a small difference each and every day by doing at least one good thing for someone else. It is easy! Even a smile in a stranger's direction is a good place to begin. Make someone feel like smiling too.
